ORDER

This matter comes before the Court on the Receiver's Motion for Court Approval to Recognize Transfers of Claims in Receivership Books and Record (Doc. #548) filed on August 10, 2021. The Receiver has obtained executed Sworn Agreements for each of the transfers for which approval is sought in the motion, as well as supporting documentation. The SEC does not oppose the motion.

Claimants 28, 37, 69, and 84 passed away and the Receiver was contacted by survivors regarding approved claims. Claimants 93 and 94 seek a transfer of their approved claims to a specific entity. The Receiver now seeks approval to recognize it in the Receivership's books and records. The motion will be granted.

Accordingly, it is hereby

ORDERED:

The Receiver's Motion for Court Approval to Recognize Transfers of Claims in Receivership Books and Record (Doc. #548) is **GRANTED** as to the identified claimants.
