ORDER

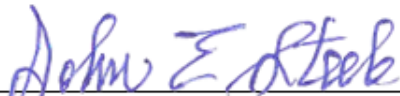

This matter comes before the Court on the Receiver and non-party Ernst & Young LLP's Joint Motion for Entry of Amended Order and Final Judgment (Doc. #611) filed on October 27, 2023. After the issue was raised at the hearing about the impact of Rule 58, the parties have concluded that the entry of a judgment is necessary to effectuate finality of the October 25, 2023, Final Settlement Approval and Bar Order (Doc. #610). The Court will amend the Order to reflect this agreement and direct the entry of judgment.

Accordingly, it is hereby

ORDERED:

The Receiver and Non-Party Ernst & Young LLP's Joint Motion for Entry of Amended Order and Final Judgment (Doc. #611) is **GRANTED**.

DONE and ORDERED at Fort Myers, Florida, this 30th day of October 2023.
